Attention: Honorable Laura Taylor Swain

Care of US District Court for the District of Puerto Rico

150 Carlos Chardon Street, Federal Building,

San Juan, Puerto Rico 00918-1767

Dear Judge Swain;

It is my position that the courts of the United States of America do not grant relief of this or any motion granting relief of its debts to United States citizens in the form of investment bonds or any other legal form of investment. Further a contract to pay them in a timely fashion is a contract not to be changed by the courts at the debtor's whim. Further the constitution of the United States provides that our government is responsible for its territories' debts.
